A Monthly Insight Into Our Syracuse City Community

MAYOR'S MESSAGE

The Tour of Utah, an annual multi-day road cycling race, will be coming through Syracuse on August 4, 2017. Be aware that there will be road closures while the cyclist ride through the city. It is estimated that the riders will be entering Syracuse about 9:20 am and coming back through the city about 10:50 am. All roads intersecting 3000 West and Gentile will be blocked during race time. Gentile and 3000 West will be great locations to watch The Tour of Utah.

The construction on 2000 West is on time and moving forward. By the time you see this letter, the east side of 2000 West between Heritage Lane and Highway 193 should be connected. I know that this is difficult to endure, but I am impressed with how quickly the work is being done and realize that when completed it will improve the flow of traffic through the city. Thank you for your patience.

Syracuse City Arts Council is presenting Rodgers & Hammerstein's musical Oklahoma! August 3rd-7th. I have really enjoyed the presentations by the Arts Council in the past and know that this will be a great musical for the entire family. You can buy tickets in advance through the purchase tickets link at www.syracuseutaharts.org or directly at www.buyyourtix.com under Syracuse City Arts Council.

POLICE DEPARTMENT

Syracuse Police Department will be hosting a Night Out Against Crime event on Wednesday August 30, 2017, from 6-8 pm. The event will be held in the parking lot on the west side of Shadow Point shopping center (1207 West 1700 South) in conjunction with the Farmers Market; it will be a great opportunity get out and support our community.

This event will include fun activities and interesting displays for the whole family. There will be a chance to dunk Officer Penrod, a rock climbing wall, bounce houses, a pedal go-cart course, face painting, low cost bike helmets for sale, as well as free gun locks and child identification kits. We will also have information on crime prevention, Internet safety, suicide prevention, gun safety, bicycle safety, and CPR. Come meet Syracuse City royalty, SWAT team members, K9 teams, and members of your Syracuse Police Department.

Last year, because of community support, Syracuse Police Department was recognized for hosting one of the 50 best National Night Out Against Crime events in the country for cities with 15,000 - 50,000 residents. Come help us do even better this year.

FIRE DEPARTMENT

It has been a very hot and dry Summer so far, which keeps things very busy at the fire department. We thank you for your compliance with our ordinances pertaining to open burning, recreational fires and fireworks use. There is still a lot of Summer left this season and we invite you to be extra vigilant around any sources of ignition, including barbeque grills, smokers, and other outdoor cooking activities. What you do after your activity is as important as safe practice during your event, especially pertaining to hot coals and embers, or discharged fireworks casings and cartridges. Please make sure these products are cooled before disposing or leaving them unattended. Hot coals or fireworks casings can easily start a fire if left close to a source of ignition!

With some recent turn-over in staff at the fire department we have **new members** to introduce. Laurianne Bauman is our new full-time firefighter, and Todd Love, Tyson Hatch, Megan Benson and Griffin Conroy have joined us as part-time firefighters. We welcome our new staff! Please help us protect our community and stay safe this summer!
